

Jeftomson is a major regional employer with more than 450 staff including a range of full time, part-time, & casual jobs.

Let's meet some of their amazing crew...

FIONA BRASSIL,
DISPATCH QUALITY INSPECTOR

I'm Fiona, I've been with Jeftomson for 10 years. I check the quality of the fruit that is dispatched for the day making sure it meets the standards the customer requires. I completed year 12, started as a fruit packer and then line quality control inspector, before being approached to try out my current role as dispatch quality control. I have since completed Cert III in Process Manufacturing.

I'm Ethan I've been working at Jeftomson for 6 years. I started as an apprentice and have since completed 4 years training at TAFE to get Cert III Electrotechnology. My job involves installing new electrical equipment and repairing broken or faulty ones.

ETHAN SALTER,
ELECTRICIAN

CLINTON PRYGODA,
ORCHARD MANAGER

I'm Clinton, I've been with Jeftomson for 10 Years. I started as a picker and then became an orchard worker. By having a good work ethic, willing to learn and have a go at things, I became a supervisor. By age 22, I became a manager. I have Certificate 3 in Horticulture and have since completed a Leadership program at Marcus Oldham.

NECMETTIN YILMAZ
(NESH),
DISPATCH SUPERVISOR

I'm Nesh, I've been with Jeftomson for 7 years. My job involves preparing stock to be dispatched to our customers such as ticketing and labelling of packed stock. I also organise final quality inspections of stock and put together dispatch paperwork; certification (when required); delivery docket; crates and chep pallets. I started off with basic secondary school education and received on the job training. I have since completed a Cert IV in Competitive Systems & Practices.

I'm James, I started as a lumper with Jeftomson 15 years ago, advanced to a fork lift driver, then line supervisor and now I am the Prepack Manager. My job includes overseeing the supervisors to ensure smooth and productive running of the area, fruit procurement and price negotiation with the supplier base. I started with basic secondary school education and have since completed Cert IV in Competitive Manufacturing and a Diploma in Business Horticulture.

JAMES PEACE,
PREPACK MANAGER

I'm Jenny, I joined Jeftomson 10 years ago as a Management Accountant. I have worked in different areas of the business doing process improvement and problem analysis. I implemented the current system platform for the business and now maintain it. I currently work in the Export dept and assist the Aldi and market sales desk. Mine is an example of diverse roles within a position. I did night schooling at TAFE for Cert IV in Accounting, and later went on to do a Bachelor of Commerce (Accounting). I am back in Uni studying a Graduate Certificate in Maritime & Logistics Management to help with my Export role.
